Budget
$ 1,000.00
/month
Over a typical month, your average daily spend won't exceed approximately $32.89 ($1,000.00/30.4). Each day's spend may be significantly above or below this number as Google Ads optimizes based on traffic and quality.
Monthly budgeting will no longer be available as of April 2020. Your monthly campaign budgets will automatically switch to daily then, or you can update to daily budgets anytime before April.

Bidding
Maximize conversions
This campaign will use the **Maximize conversions** bid strategy to help you get the most conversions for your budget.
Your budget is **$50.00** and your current daily spend is **$0.52**. You can change your budget to adjust your spend, or set a target cost per action.
Reduce budget to $ 0.67
The bidding strategy does not support shared budgets
Use a portfolio strategy
Get guidance selecting a bid strategy
Google Ads automatically sets your bids to help you get the most conversions within your budget.
The strategy you select here will be applied to this campaign only.
