About Me:
Turning Marketing Challenges Into Growth Opportunities

I'm **Mohammad Shoriful Islam**, a Digital & Brand Marketing professional with **6+ years of experience** across travel & tourism, automotive, e-commerce, and consumer brands.

I combine **marketing strategy, performance advertising, creative content, and technology** to build campaigns that connect brands with the right audience and drive measurable results.

From **Meta & Google Ads to brand campaigns, social media, lead generation, e-commerce, and marketing analytics**, I focus on turning ideas into practical marketing solutions.

Strategy. Creativity. Technology. Meta & Google Ads. Tracking & Analytics.

My Services

I help businesses build stronger digital presence, reach the right audience, and turn marketing activity into measurable growth.

Technical Areas

HTML · CSS · C · C++ · Data Structures & Algorithms · Computer Networks · Operating Systems · Computer Architecture

Marketing Technology

Tracking Implementation · Data Layer Concepts · Server-Side Tracking · API-Based Marketing Integrations · Conversion Tracking

---

Core Strengths

Strategy

I translate business objectives into practical digital marketing strategies and campaigns.

Performance

I use data, testing, and optimization to improve campaign efficiency and conversion performance.

Analytics

I connect marketing activity with measurable KPIs and actionable insights.

Creativity

I combine creative thinking with AI and visual content tools to develop engaging marketing assets.

Technology

I understand both the marketing and technical sides of digital platforms, tracking, analytics, and advertising infrastructure.

Adaptability

Experience across **Travel & Tourism, Fashion & Lifestyle, FMCG, Automotive, Real Estate, and E-commerce** has taught me to adapt marketing strategies to different audiences and business models.

My Marketing Stack

Advertising: Meta Ads · Google Ads
Analytics: GA4 · Search Console
Tracking: GTM · Meta Pixel · CAPI
E-commerce: Shopify
Creative: AI Tools · Motion Graphics · Video Editing
Strategy: Brand Marketing · Performance Marketing · Social Media · SEO

What I Bring

Strategic Thinking + Creative Execution + Data + Technology

I don't see marketing as just advertising. I focus on understanding the **business objective, audience, customer journey, creative message, tracking infrastructure, and performance data**—then connecting them into one measurable marketing system.

Certifications & Professional Development

I continuously invest in developing my expertise across **digital marketing, performance advertising, analytics, creative production, technology, leadership, and communication**.

Advanced Digital Marketing

SR DREAM IT

Comprehensive training in digital marketing strategy, social media marketing, paid advertising, content marketing, SEO, and online customer acquisition.

Server-Side Tracking

Skill Upper

Specialized training focused on modern marketing measurement, server-side tracking, conversion tracking, data flow, and privacy-conscious analytics implementation.

Scriptwriting: How to Write Your First Feature-Length Screenplay

Skillshare

Training in storytelling, screenplay structure, character development, narrative development, and creative writing.

Motion Graphics & Video Editing

Olpo Shikhi Dot Com

Professional training in motion graphics, video editing, visual storytelling, and digital content production.

Gemini Certified Education Program

Google Garage

Training focused on applying Google's Gemini AI capabilities and generative AI concepts to productivity, learning, and digital workflows.

Meta Ads Blueprint

Meta

Professional learning focused on Meta advertising, campaign planning, audience targeting, advertising solutions, measurement, and campaign optimization.

Aspire Leaders Program — Leadership: Foundational Principles

Harvard University

Leadership development focused on foundational leadership principles, communication, self-awareness, decision-making, and professional growth.

Areas of Certification

Digital Marketing
Advanced Digital Marketing · Meta Advertising · Performance Marketing

Analytics & Technology
Server-Side Tracking · Conversion Tracking · Marketing Measurement

Creative & Content
Motion Graphics · Video Editing · Scriptwriting · Storytelling

AI & Emerging Technology
Generative AI · Gemini · AI-Assisted Workflows

Leadership & Professional Development
Leadership Principles · Communication · Professional Growth

Continuous Learning

My certifications reflect a broader approach to professional development: **marketing expertise + technical knowledge + creative capability + leadership**.

I continue to learn and experiment with emerging technologies and marketing practices to stay relevant in an increasingly data-driven and AI-powered digital landscape.

Let's Work Together

Have a project in mind, looking for a marketing professional, or interested in working together?

I'm always open to discussing **marketing projects, brand collaborations, digital campaigns, freelance opportunities, and professional opportunities**.
